

The diagram illustrates a navigation system architecture. At the top, four servers (PARKING LOT GUIDANCE SERVER, HOTEL GUIDANCE SERVER, \*\* PREFECTURE SIGHTSEEING CENTER, and RESTAURANT GUIDANCE SERVER) are connected to a central NETWORK. The NETWORK is connected to INFORMATION OFFERING EQUIPMENT. A car is shown receiving a signal from the INFORMATION OFFERING EQUIPMENT via a radio wave. Below the car, a large box labeled 'INFORMATION DISPLAY EQUIPMENT' contains a map. The map shows a grid of streets and buildings. A legend indicates that solid squares represent 'VACANT ROOM' and dashed squares represent 'FULLY OCCUPYING'. A 'DETAILED INFORMATION' icon is shown next to the map. On the right side of the map, there are four buttons: 'MAGNIFICATION', 'REDUCTION', 'MAP', and 'INFORMATION'.
